

## **Rich Management Provides Live Feed to Power *XLBrowser***

LOS ANGELES, March 28, 2009 – Mobile-XL, a mobile technology company, today announced that it is unleashing a partnership agreement with Rich Management, Nairobi Stock Exchange Authorized Data Vendor, to provide real-time stock prices to mobile audiences. Consumers can now use Mobile-XL's *XLBrowser* to receive up-to-the-minute stock quotes within seconds.

"The agreement between Rich Management and Mobile-XL provides easy access of the Nairobi Stock Exchange to a broad audience. People will be able to quickly obtain stock prices without being tied to a computer or relying on an often unstable and sluggish internet connection." said, Nishet Satchu of Rich Management.

Guy Kamgaing-Kouam, CEO of Mobile-XL further commented, "The value of providing our audience with current stock prices, along with the simplicity of the *XLBrowser's* user interface, allows us to become an essential portal for information. Utilizing technology to connect a population with its financial markets creates the potential for unleashing unlimited opportunities."

The *XLBrowser* is a revolutionary mobile phone application that utilizes SMS to provide instant access to global and local information to anyone, anywhere, using almost any mobile phone. The *XLBrowser's* intuitive interface allows a user to easily select and instantly receive up-to-the-minute information, news, sports, finance, entertainment, games, music and much more – all with minimal effort and instant results. The *XLBrowser* is a passport that opens up a world of information, particularly valuable for users in areas with limited, unreliable, or expensive internet or WAP technologies.
